Conference sets and desk pads

The distinctive feature of conference sets and desk pads versus most of other advertising products in this catalogue is their large size. Large size means a lot of space for custom printing.

Thanks to the hardcover, conference sets are more durable and the universal clip which can be used to attach any notes or sheets makes the products used more extensively, for a long period of time.

Bespoke Mindnotes® diaries

Bespoke Mindnotes® diaries are fully personalized. You can design each element of a diary and customize it to your brand's needs. You can personalize the cover, size, type and color of accessories, but most of all – the diary inside, which can be designed however you like. We have templates available that can be used unchanged, or modified according to the specific needs of the brand.
